

ANNOUNCEMENT.

At a representative meeting of business men and citizens of Tallahassee the following ticket is announced to be voted for at the coming Democratic City Primary Election:

For Mayor: J. W. M. MCINTOSH, JR.

For Tax Assessor: W. H. CHANCERY.

For Clerk and Treasurer: J. A. H. WILLIAMS.

For Tax Collector: C. ZACK FENN.

For Councilmen: GEORGE W. SAXON,

GEORGE E. LEWIS.

S. C. JAMES,

DR. F. CLIFTON MOOR,

CHAS. G. MYERS.

For City Executive Committee: J. A. EDMONDSON, GEO. H. GWYNN, GEO. B. PERKINS, CHAS. A. CAY, JULIUS BALL.

Announcement.

During my incumbency of the office of City Tax Collector I have tried hard to render faithful and efficient service. I believe that a large majority of our people are entirely satisfied with the service I have rendered. I believe that a large majority of our people feel that there is absolutely no reason why any change should be made in the office, and that it would not be wise to put out of office an experienced man, who has proven capable and trustworthy, to put in an inexperienced man from whom no better service could be expected, to say the least.

Believing as I do, I hereby announce myself as a candidate for re-election to the office of City Tax Collector.

For some years I have collected every cent of taxes due the city, a record I believe to be unequalled in any city of this size. Every year I have collected a larger percentage of taxes than my predecessors in office did, owing to the fact that I gave more time to the duties of the office than they could. Each year, without exception, when I have closed my books and made my final settlement, the City Council then in session has highly complimented me for the splendid showing made.

Owing to continued ill health I have been compelled to resign my position as agent of the Southern Express Company. This will enable me, if elected, to devote a great deal more of my time to the duties of the office in the future, and if possible to render better service. I promise, if elected, not to turn the tax books over to another person, but to give my personal attention to the duties of the office.

Any assistance that my friends may see fit to render me will be highly appreciated. W. D. WILSON.

SHERIFF'S SALE.

BY VIRTUE OF A WRIT OF EXECUTION issued out of the Circuit Court, second judicial circuit of Florida, in and for Leon county, in a certain cause therein pending wherein the Tallahassee Iron Works, a corporation under the laws of Florida, is plaintiff and Ellis A. Jones is defendant, I will expose to sale for cash at public vendue on Monday, the seventh day of January, A. D. 1907, at 12 o'clock noon, at the court house door in the city of Tallahassee, Leon county, Florida, sixty-five shares, of \$100.00 each, of the capital stock of the Tallahassee Iron Works, a corporation under the laws of Florida, for which certificate number three was issued by said corporation, owned by the said Ellis A. Jones, and levied upon as the property of said Ellis A. Jones, defendant; the certificate for said shares of stock reciting that it was issued subject to the restrictions, regulations and by-laws of said company and to the lien of said company upon all shares of any stockholder, for any indebtedness of such stockholder to it, either individually as stockholder or otherwise. At the time of levy of said execution on said shares, the secretary and treasurer of said corporation having furnished to this sheriff a written statement that prior to the incorporation of said corporation said Ellis A. Jones, W. H. Rugely and Cay McCall were partners under the firm name of the Moultrie Iron Works, and also that said Ellis A. Jones, W. H. Rugely and Raymond Cay were partners under the firm name of the Tallahassee Iron Works, and that said Ellis A. Jones, W. H. Rugely and Raymond Cay, the incorporators of said corporation, paid for the shares of stock respectively issued to them, by transferring and having transferred and conveyed to said corporation certain property of, and accounts due to, said two partnerships, on condition that said corporation was to assume all liabilities against said two partnerships, to-wit: \$1,143.39 against the Moultrie Iron Works, and \$9,143.71 against the Tallahassee Iron Works; total, \$10,287.10, and thereupon there was issued to Ellis A. Jones, subject to the conditions or terms stated in said certificate, fully paid, the sixty-five shares of stock of \$100 each in said corporation, and further, that said Ellis A. Jones was indebted to the Tallahassee Iron Works, a partnership, in the sum of \$396.60, and to the Moultrie Iron Works, a partnership, in the sum of \$448.70, which indebtedness was transferred to said corporation, and upon which judgment mentioned in said execution was obtained and for the payment of which the shares of stock issued to said Ellis A. Jones are responsible and subject December 7th, 1906.
